# Wellington Christian Academy

Transforming Minds

— Since 2003 —

## The School

20 years ago, Bill Meridith started Wellington Christian Academy with just 4 students in Kindergarten and 1st grade. Fast forward to today, and the school's family has grown to over 100 students in Preschool to 8th grade. We're more than just a school. We're a warm and welcoming family that encourages parent involvement.

*“Train up a child in the way he should go: and when he is old, he will not depart from it.”*  
-Proverbs 22:6

## Why WCA is special

### EXPECTATIONS

We seek students who demonstrate an earnest commitment to learning and personal growth, with a willingness to challenge themselves. It's important that they're motivated to utilize their innate talents and abilities to honor God. Additionally, we encourage biblical instruction at home and in their church communities. Ultimately, we aim to foster an environment that reflects Christ's character.

### ACADEMICS

Our curriculum has shown that students often excel in their academic performance, surpassing their grade levels. Our Iowa Test of Basic Skills scores (grades K-2 and 5th and 6th grade), are a testament to this holistic approach. With reading scores at 73, ELA at 75, and Math at 72, our students achieve a total core score of 71, surpassing the national average of 50. This demonstrates our commitment to providing an education that nurtures academic excellence, along with fostering spiritual growth and development.

### SCHOLARSHIPS

At Wellington Christian Academy, providing scholarships is a top priority. Give us a call to discuss the best options for your family.
