

Wellington Christian Academy Work Scholarship Interest Form

WCA offers a limited number of **Work Scholarships** each year to help offset tuition costs in exchange for school-related work or service. Most scholarships are valued at **\$500**, though the amount may vary depending on the scope and duration of the assigned task or project.

Submitting this **Work Scholarship Inquiry Form** does not guarantee a scholarship, but it allows us to understand your skills and availability so we can match families with opportunities as they arise. If a fitting opportunity becomes available, the school will contact you directly.
